

Do you know a C-FB ISD faculty or staff member who:

- Serves as a role model to students, parents and colleagues?
- Truly believes in the district's Character Values?
- Acknowledges the importance of the individual?
- Recognizes the need for daily acts of kindness?

You can honor special Carrollton-Farmers Branch ISD Employees through the Educational Foundation's STAR Award.

Families, friends and colleagues can acknowledge an employee any time during the year; however, the STAR Awards Program is a great way to honor a special C-FB ISD team member during the holiday season or at the end of the year.

STAR contributions support the Educational Foundation's projects that directly benefit the district's teachers, students, classrooms and schools.

STAR honorees will receive a STAR pin as well as an acknowledgement card for each contribution. If you wish to include a personal message, please send it along with the form below and we will ensure that it is sent with the acknowledgement card.

For more information, call the C-FB ISD Educational Foundation at 972-968-6543.
